

IFA Global WIN Committee - Call for candidates

Dear IFA members,
Dear Ladies,

At the next annual IFA Congress in Lisbon, the General Assembly will appoint new members to fill vacancies within the WIN Committee (*Women of IFA Network*).

The Board of the Swiss IFA Branch is willing to support the candidature of a new Swiss representative after Mrs Romana Giesen's appointment recently came to an end. Romana – who is warmly thanked for her activity over the past three years – has indeed renounced to extend her mandate for a new term.

According to the appointment procedure and timeline, candidatures for open positions within the statutory bodies of IFA will be examined by the Nominations Committee this Spring and decision on final recommendations will be taken during the Summer for official appointment by the General Assembly in Lisbon on 5 October 2025.

Objectives and criteria taken into account by the Nominations Committee in identifying suitable candidates are in particular the following :

- Balanced representation of the Branches and Regions as well as of the various sectors of activity within the tax community ;
- Current activity in the world of international tax ;
- Past contributions to IFA and its objectives ;
- Participation in IFA activities, including the IFA Annual Congress ;
- Personal availability and commitment to serve.

Should you wish to apply for nomination as representative of the Swiss Branch in the WIN Global Committee, please send your resume (no longer than 2 pages) and cover letter to the Swiss IFA Secretariat (info@ifa-switzerland.ch) until **14 February 2025**.

Best regards,

Nicole Fragnière Meyer
